Meeting Minutes for Feb 21st, 2003

- Status on the Bylaws, Budget and getting the organization registered was discussed
- Couldn’t discuss more on the status of the Funding letter due to the absence of Tamer
- Need to know the current funding status.
- Sri decided to make more flyers to publicize and to recruit more members
- Everyone present agreed that for more students to be a part of our organization we would need to have more officers
- Was decided to open up various officer positions in order to have more members
  Following positions were decided to be opened
  - ESFB representative
  - Two event associates (to assist the Event Chair)
  - Treasurer
  - Public relation officer (Main purpose will be to publicize any event or the organization)
  - Student representatives from each department (To give an idea of what’s happening in their department)
- The President and Dean’s consult will be needed on the above issue.
- The event chair is taking care of the Volleyball and ping-pong tournament.
- Sign-up for the tournament was opened.
- Need more flyers and publicity to be done for the tournament
- Need to find how to get banners and posters done
- Need to know if we can have any prizes or refreshments for the tournament
- EASi Engineering seminar has been finalized for March 30th, 2003.
- Bill Johnson will check if we can have the Unix machines in the SEL available for the seminar.
- Website almost complete and will be up soon
Post Meeting Discussion

- Need to arrange more social gathering to get more people involved, something like screening movies, etc
- India-Pakistan Cricket World Cup match could be one such crowd puller
- Discussed the possibility of screening the match
- Bill will check if we can arrange for the screening.
- If we get a positive response then we can have an emergency meeting and decide how to go about it.
